

OneShot® Plus

Automatic Foaming Gel Wash System

technical concepts
Innovative Hygiene Solutions

- World's First and Only Foaming Gel Hand Wash
- Promotes Healthy Hand Washing
- Automatic Controlled Doses Reduce Usage and Waste

OneShot Plus™ Foaming Gel Wash System

- Delivering a Luxurious Automatic Hand Wash Experience with Cost-Effective Customer Delight... controlled dosing reduces soap usage and waste, while providing an exceptionally luxurious, hygienic hand-washing experience that encourages the user to wash more thoroughly.
- World-Class Reliability... Smart Sensor™ and patented technology detects user's hand every time and guarantees trouble free operation, no clogs, no leaks, no drips.
- Ease of Installation... easy 2 minute installation, dispenser mounts to wall or mirror. Refill loading is quick and efficient—customer convenience maximized.
- User-Friendly Performance... reliable sensor technology guarantees delivery. Luxurious formula promotes healthy hand washing which helps prevent the spread of infectious diseases—ensures patron satisfaction, health and wellness.

The OneShot Plus™ is just one component of the TC® Touch-Free Restroom™. For reliable, cost-effective washroom automation, use the entire suite of TC® Touch-Free Systems.
