Meets or Exceeds Green Seal Standards

Description

Crystal Clean Carpet Cleaning 6-in-1 concentrated formula combines the cleaning and deodorizing power of Hydrogen Peroxide with the anti-resoiling capabilities of a crystallizing polymer. This unique formulation helps reduce contamination associated with indoor pollution without the build-up of sticky residue or high V.O.C. solvents. The result is a process that leaves your carpet cleaner than ever and fights re-soiling by encapsulating residual cleaning agents and soils in a hard, brittle polymer.

For Use In

Schools, Hospitals, Hotels, Office Buildings, Airports, Restaurants and More!
